

## Pledge to Fund the Activities of Maya Heritage Center - Community Education Program-

I/We, the undersigned, fully recognize the vital importance of the Maya Heritage Center's Community Education Program in bridging educational disparities and empowering Maya communities. This program aims to provide equitable access to education, foster cultural pride, and support the educational goals of young learners. I/We am/are committed to supporting the activities of the Maya Heritage Center and hereby pledge our financial support to fund the following initiatives:

### 1. Procurement of Educational Resources:

- I/We pledge to contribute towards the acquisition of Chromebooks and educational software that enhance students' literacy, science, and math proficiency, providing them with valuable tools for their educational journey.

### 2. Expansion of Educational Technology:

- We pledge to support the Maya Heritage Center's efforts to network with educational technology providers and select appropriate software and resources, ensuring that students have access to cutting-edge learning tools like Brain Pop.

### 3. Heritage Preservation:

- I/We pledge to assist in the printing and distribution of educational booklets that delve into heritage themes in the Mayan language, preserving cultural knowledge and fostering a deeper connection with heritage.

### 4. Teacher and Community Leader Training:

- I/We pledge to fund training and capacity-building workshops for teachers and community leaders, equipping them with the necessary skills in educational technology, content development, and pedagogy.

### 5. Monitoring and Evaluation:

- I/We pledge to support the ongoing assessment of student learning outcomes and the collection of feedback from teachers and community leaders, ensuring the program's effectiveness and impact on the ground.

### 6. Expansion to Other Schools:

- I/We pledge to assist in replicating the success of this program at other elementary schools, extending its reach and benefiting more Maya communities.

Through my/our collective contributions, we are dedicated to empowering Maya communities, strengthening educational foundations, and preserving cultural heritage. I/We recognize that the success of these initiatives is a shared responsibility, and I/we pledge to play our part in making a positive impact on the lives of Maya youth and their communities.
